

#ProtectYourFuture

Safeguarding our environment
for the next generation

EVALUATION FORM

Thank you for taking part in the Protect Your Future project

Climate change is a growing area of concern and this project is just the starting point to encourage members to look after and protect the environment. This project was part of a national initiative called #ProtectYourFuture, launched by the National Federation of Young Farmers' Clubs (NFYC) in February 2019.

We would really value your feedback to help us shape future programmes of work. Please answer the following questions:

1. How old are you?
2. Describe your involvement in YFC:
 Member (continue to 2b) Associate Parent Club Leader
- 2b. How long have you been a YFC member?
3. Have you been involved in any community/environmental projects or climate change campaigns before?
Yes / No
If yes, what did you do?
4. Why did you choose to get involved in the tree planting project?
 To help the environment
 To help the community / give something back
 To support YFC
 Other (please specify):
5. Is it important to you to do something positive to prevent climate change and look after the environment?
Yes / No
6. If yes, how important to you is doing something positive to prevent climate change and look after the environment on a scale of 1-5 (5 being very important)?

1 2 3 4 5
7. How as YFC's can we educate our members to protect the environment and combat climate change?
8. Do you think the National Federation of Young Farmers' Clubs could be doing more in the field of environmental and climate change work? If so what ideas do you have?
Yes / No
